

LGA Trustee Meeting Thursday, September 19th, 2025 at 7:00 pm Adjourned 8:30 pm

Attendance: Richard Guy, Susan Pelkey Smith, Kevin McDonnell, Janet Page, Bob Ricker, Matt Coxon.

1) Election of Officers

Dick Guy was nominated for President, seconded and unanimously approved.

Bob Ricker was nominated for Vice President, seconded and unanimously approved.

Janet Page was nominated for Clerk, seconded and unanimously approved.

Susan Pelkey Smith was nominated for Treasurer, seconded and unanimously approved.

2) Approval of Minutes

LGA minutes of 08/20/2024, 09/11/20204, and 07/14/2025 were approved with no corrections.

3) LGA Annual Meeting Recap

- Next year we will split the chickens in half before serving.
- There are 73 paid LGA memberships, the same as the 2024 enrollment.

4) Fall Foliage Day Peeling

Janet Page has been asked to take over the shout-out for fall foliage day peeling. Since it's mostly the folks from the lake, we agreed that sending an email would be fine. Will revisit if turnout is poor.

5) Follow up on South End Boat Launch

With milfoil becoming a looming threat, we discussed what we could do as an association to protect our lake from this invasive. Concerns: There is no wash station at the south end launch. The expense of day-use launching at Stillwater (which is the probable cause of launching at the south end).

Ideas and action items:

- Collect statistics at the launch on frequency of use and if they are washing before launching.
- Hang another sign to point launchers to the Ricker Pond wash station as it is a closer option.
- Installing a wash station at the south end launch.
- Inquire if Stillwater could offer an alternative for day use instead of paying for a camp site.
- Ensure that when the State comes to police boaters that they are washing before launching.

6) New Business

A concern was raised about the number of LGA emails going out.

We went over the guidelines to try to reel it back in and all agreed on the following:

Continue

- LGA business, information, and alerts
- Free stuff offered by lake property owners
- Lost and Found
- Free events being hosted by lake property owners

Discontinue

- For sale
- Commercial business offerings and advertising

Respectfully Submitted,

Janet Page, clerk
